OREGON HIGH SCHOOL TECHNOLOGY AND TRAINING COURSES BY COUNTY

Oregon Tradewomen, Inc

Updated 3/14/2014

County	High School	Program Title
Baker	Baker High School	Agricultural Science and Technology, Construction Technology
Baker	Pine Eagle Charter School	Manufacturing Technology
Benton	Corvallis High School	Industrial and Engineering Systems; Transportation Technology
Benton	Crescent Valley HS	Pre-Engineering; Construction Technology; Agriculture; Science and Technology
Benton	Monroe High School	Agriculture, Science & Technology
Benton	Philomath High School	Manufacturing Technology; Agriculture, Science and Technology
Clackamas	Canby High School	Horticulture; Construction and Manufacturing Technology
Clackamas	Colton High School	Agriculture; Manufacturing Technology
Clackamas	Estacada High School	Automotive Service Technology; Manufacturing Technology; Drafting/Construction
Clackamas	Gladstone High School	Communications Technology; Engineering
Clackamas	Sabin-Schellenberg Ctr	Fire Science; Automotive Service Technology; Computer Aided Design; Electronics Technology; Manufacturing and Engineering
Clackamas	Sandy High School	Engineering Technology; Manufacturing Technology; Agriculture, Science and Technology
Clackamas	Wilsonville High School	Engineering
Clackmas	Molalla High School	Metals Manufacturing; Manufacturing Technology
Clatsop	Astoria Senior High School	Agriculture, Science & Technology, Mechanical Technology
Clatsop	Knappa High School	Manufacturing Technology; Agriculture, Science and Technology
Clatsop	Seaside High School	Engineering & Computer Design; Agriculture Science and Technology
Columbia	Jewell School	EMT Training
Columbia	Rainier Jr/Sr High School	Agriculture, Science & Technology
Columbia	Scappoose High School	Agriculture; Forestry/Natural Resources
Columbia	St Helens High School	Automotive Technology; Building Construction; Drafting Technology; Manufacturing Technology; Agriculture
Columbia	Vernonia High School	Drafting; Agriculture Science and Technology
Coos	Bandon Senior High School	Manufacturing Technology
Coos	Coquille High School	Manufacturing Technology
Coos	Marshfield High School	Information Technology; Manufacturing Technology
Coos	North Bend Senior HS	Computer Technology; Manufacturing Technology
Coos	Powers High School	Agriculture, Science & Technology
Curry	Pacific High School	Manufacturing (in development); Audio/Video Communication Technologies
Deschutes	Bend Senior High School	Engineering Technologies
Deschutes	LaPine High School	Agriculture (Horticulture); Agriculture(Livestock Animals)
Deschutes	Mountain View Sr HS	Automotive Technology; Engineering Technologies; Agriculture; Manufacturing
Deschutes	Redmond High School	Automotive Technology; Engineering Technology; Manufacturing Technology
Deschutes	Ridgeview High School	Agriculture
Deschutes	Sisters High School	Engineering Technology; Automotive Technology
Deschutes	Summit High School	Engineering Technology
Douglas	Douglas High School	Manufacturing Technology (CAD/Drafting); Manufacturing Technology (Welding); Ag Operations and related science

County	High School	Program Title
Lincoln	Taft High School	Drafting; Construction
Linn	Central Linn High School	Agriculture
Linn	Harrisburg High School	Welding & Fabrication
Linn	Lebanon High School	Agriculture (Welding); Construction; Drafting and Engineering Technology; Electronics
Linn	Santiam High School	Manufacturing Technology
Linn	Scio High School	Construction Technology
Linn	South Albany High School	Construction Trades; Drafting; Electronics Technology; Metals Technology; Transportation Technology
Linn	Sweet Home High School	Automotive Technology; Construction Technology; Manufacturing Technology
Linn	West Albany High School	Woodworking; Automotive Technology
Malheur	Adrian High School	Agriculture, Science & Technology, Natural Resources, Manufacturing and Transportation Technology
Malheur	Nyssa High School	Agriculture, Science & Technology
Malheur	Vale High School	Construction Technology; Mechanical Technology; Construction Technology
Marion	Cascade Sr High School	Agriculture
Marion	Gervais High School	Engineering Technologies
Marion	Jefferson High School	Agriculture, Science & Technology
Marion	John F Kennedy School	Engineering Technology; Agriculture, Science and Technology
Marion	McKay High School	Automotive Technology; Building Construction Technology; Drafting Technology; Agriculture, Science and Technology
Marion	McNary High School	Automotive Technology; Drafting Technology; Information Technology; Agriculture, Science and Technology
Marion	North Marion High School	Manufacturing Technology
Marion	North Salem High School	Cabinetmaking; Engineering; Precision Production;
Marion	Robert S Farrell High School	Agricultural Science and Technology
Marion	Silverton High School	Transportation Technology
Marion	South Salem High School	Manufacturing Technology (Metal, Welding, Automotive and Secondary Wood Products)
Marion	Sprague High School	Automotive Technology; Computer Aided Drafting
Marion	St Paul High School	Agriculture, Science & Technology
Marion	Stayton High School	Engineering Technology/CAD; Manufacturing Technology
Marion	William P Lord High School	Manufacturing Technology; Drafting; Agriculture
Marion	Woodburn Academy	Agriculture; Manufacturing Technology
Morrow	Heppner Jr/Sr Hi School	Engineering Technology; Manufacturing Technology; Agriculture, Science and Technology
Morrow	Irrigon Jr/Sr High School	Agriculture
Morrow	Riverside Jr/Sr High School	Engineering Technology; Manufacturing Technology
Multnomah	Benson Polytechnic High School	Digital Media Production; Computer, Construction, Manufacturing, Transportation Technology
Multnomah	Centennial High School	Metals Technology
Multnomah	David Douglas HS	Automotive; Construction Technology; Manufacturing; Agricultue, Science and Technology
Multnomah	Franklin High School	Construction Technology; Metals Manufacturing Technology
Multnomah	Gresham High School	Automotive Service Technology; Construction Technology; Agriculture

Douglas	Elkton Charter School	Agriculture, Science & Technology
Douglas	Glide High School	Agriculture, Science & Technology
Douglas	Roseburg High School	Construction & Woodworking; Drafting; Agriculture; Forestry
Douglas	Sutherlin High School	Natural Resources/Forestry
Gilliam	Condon High School	Agriculture, Science & Technology
Grant	Dayville School	Manufacturing Technology (Cabinetmaking)
Grant	Grant Union High School	Communication Technology
Harney	Burns High School	Agriculture, Science, and Mechanical Technology
Hood River	Hood River Valley HS	Engineering; Automotive Technology
Jackson	Ashland High School	Automotive Technology, Construction Technology
Jackson	Butte Falls Secondary	Construction Technology/Construction Trades
Jackson	Eagle Point High School	Automotive Technology; Computer Technology; Manufacturing Technology; Agriculture, Science and Technology
Jackson	North Medford HS	Automotive Technology; Construction-Cabinetmaking (CAD/Drafting, Carpentry/Design and Pre-Construction); Agriculture, Science and Technology
Jackson	Phoenix High School	Automotive Technology; Agriculture Science and Technology
Jackson	Rogue River High School	Agriculture
Jackson	South Medford HS	Automotive Technology
Jefferson	Culver High School	Agriculture; Engineering and Design
Jefferson	Madras High School	Construction Technology
Josephine	Grants Pass High School	Manufacturing; Information Technology/Web Design
Josephine	Hidden Valley High School	Horticulture
Josephine	Illinois Valley High School	Agriculture, Science & Technology
Josephine	Newbridge High School	Drafting
Josephine	North Valley High School	Agriculture, Science & Technology
Klamath	Bonanza High School	Agriculture, Science & Technology
Klamath	Chiloquin High School	Welding Manufacturing
Klamath	Henley High School	Agriculture, Science & Technology
Klamath	Klamath Union School	Agriculture, Science & Technology; Arts Information and Communication
Klamath	Lost River High School	Woodshop/Drafting
Klamath	Mazama High School	Automotive Technology; Metals Manufacturing Technology
Lake	Lakeview High School	Engineering Technologies; Forestry/Natural Resources
Lane	Cottage Grove HS	Science and Engineering Technology; Agriculture
Lane	Creswell High School	Natural Resource Management
Lane	Crow Middle/High School	Construction Technology; Agriculture; Science and Technology
Lane	Eugene Ed. Options	Natural Resources; Agriculture
Lane	Junction City High School	Construction Technology; Engineering Technology
Lane	Lowell Jr/Sr High School	Sustainable Agriculture
Lane	Mapleton Jr/Sr HS	Construction Technology
Lane	North Eugene HS	Construction Technology; Agriculture, Science and Technology; Agriculture
Lane	Springfield High School	Automotive Technology; Construction Technology; Industrial Engineering; Manufacturing Technology
Lane	Thurston High School	Construction Technology; Drafting; Manufacturing Technology
Lane	Willamette High School	Automotive Technology; Construction Technology; Manufacturing Technology; Agriculture Science and Technology
Lincoln	Taft High School	Drafting; Construction

Multnomah	Madison High School	Agriculture, Science & Technology
Multnomah	Parkrose High School	Agriculture, Science & Technology
Multnomah	Reynolds High School	Automotive Technology; Computer Technology; Construction Technology; Metals Manufacturing Technology
Multnomah	Reynolds Learning Academy	Engineering Technology
Multnomah	Sam Barlow High School	Construction Technology; Engineering Technology; Manufacturing Technology; Agriculture; Automotive Technology
Polk	Central High School	Agriculture, Science & Technology; AIC-Information Communication Technology
Polk	West Salem High School	Agriculture, Science & Technology
Sherman	Sherman Jr/Sr High School	Agriculture, Science & Technology
Tillamook	Neah-Kah-Nie HS	Construction Trades; Agriculture Mechanics
Tillamook	Nestucca High School	Agriculture Science and Technology
Tillamook	Tillamook High School	AutomotiveTechnology; Construction Technology; Drafting
Umatilla	Helix School	Agriculture, Science & Technology
Umatilla	Hermiston High School	Engineering Technology; Agriculture, Science and Technology
Umatilla	McLoughlin High School	Manufacturing Technology; Agriculture, Science and Technology;Natural Resource Management
Umatilla	Pendleton High School	Construction Technology; Engineering Technology; Forestry / Natural Resources; Perrydale Ag Science and Technology
Umatilla	Stanfield Secondary School	Natural Resources
Umatilla	Ukiah School	Manufacturing Technology
Umatilla	Umatilla High School	Agricultural Science & Technology
Union	Cove Charter School	Agriculture Science and Technology
Union	Elgin High School	Woodworking; Agriculture, Science and Technology
Union	Imbler Charter School	Agriculture, Science & Technology
Union	La Grande High School	Agriculture, Science & Technology
Union	Union High School	Agriculture, Science & Technology
Wasco	Dufur School	Agriculture, Science & Technology
Washington	Aloha High School	Architectural Drafting/Construction, Automotive Technology
Washington	Banks High School	Agriculture, Fire Protection
Washington	Century High School	Computer Technology;Engineering Technology/Drafting
Washington	Forest Grove High School	Fire Protection; Construction Technology; Precision Production
Washington	Gaston Jr/Sr High School	Construction
Washington	Glencoe High School	Computer Technology; Engineering /Drafting Technology; Manufacturing Technology;
Washington	Hillsboro High School	Automotive Technology; Drafting/Design/Engineering Technology; Agriculture Science and Technology
Washington	Liberty High School	Agriculture, Science & Technology; Agriculture Science and Technology
Washington	Sherwood High School	Construction Technology; Drafting/Design Engineering;Agriculture Science and Technology
Washington	Sunset High School	Agriculture, Science & Technology
Washington	Tigard High School	Computer Technology; Mechanical Technology; Agriculture Science and Technology
Washington	Westview High School	Drafting
Wheeler	Mitchell School	Agriculture
Yamhill	Amity High School	Agriculture
Yamhill	Newberg Sr High School	Engineering-Metals; Information and Communication Technology; Welding; Manufacturing Technology
Yamill	Dayton High School	Agriculture, Science & Technology
Yamill	McMinnville High School	Construction Technology; Engineering
